Order of Discussion

Generally, the order of discussion after introduction of an item by the Mayor will include comments and information by staff followed by City Council questions and inquiries. The applicant, or their authorized representative, or interested citizens, may then speak on the item; each speaker may only speak once to each item. At the close of public discussion, the item will be considered by the City Council and action taken. Items on the agenda may be moved from the order listed.

Consent Calendar

Items on the Consent Calendar are considered to be routine by the City Council and will be enacted by one motion and one vote. There will be no separate discussion of these items unless a Councilmember or citizen so requests, in which case the item will be removed from the Consent Calendar and considered separately. Additionally, other items without a "Request to Address the City Council" card in opposition may be added to the consent calendar. The City Attorney will read the title of ordinances to be adopted.

Addressing the Council

Any person may speak once on any item under discussion by the City Council after receiving recognition by the Mayor. Speaker cards will be available prior to and during the meeting. To address City Council, a card must be submitted to the City Clerk indicating name, address and the number of the item upon which a person wishes to speak. When addressing the City Council, please walk to the lectern located in front of the City Council. State your name. In order to ensure all persons have the opportunity to speak, a time limit will be set by the Mayor for each speaker (see instructions on speaker card). In the interest of time, each speaker may only speak once on each individual agenda item; please limit your comments to new material; do not repeat what a prior speaker has said.

Oral Communications

Any person desiring to speak on a matter which is not scheduled on this agenda may do so under the Oral Communications section of Public Communications. Please submit your speaker card to the City Clerk prior to the commencement of Oral Communications. **Only those who have submitted cards prior to the beginning of Oral Communications will be permitted to speak.** Please be aware the California Government Code prohibits the City Council from taking any immediate action on an item which does not appear on the agenda, unless the item meets stringent statutory requirements. The Mayor will limit the length of your presentation (see instructions on speaker card) and each speaker may only speak once on each agenda item.
